

## CAMPEP-Accredited Graduate Program Enrollment Attestation

This form is to be used only if you are *enrolled* in a graduate program. If you have *completed* a program, you will be asked to scan and attach a copy of your official transcript to your application.

Please complete fillable sections of the form, print it, and give it to your Program Director to sign. The form must be scanned and submitted online no later than September 30 of the year prior to the Part 1 Qualifying Exam.

Student Name: \_\_\_\_\_ Program Name: \_\_\_\_\_

Program Director Name: \_\_\_\_\_

### Graduate Program Type:

Check One:  MS  PhD  DMP  Certificate

**This section must be completed by the CAMPEP-accredited program director.**

The medical physicist named above has indicated that he or she is currently enrolled in your program. Because this candidate's admissibility to the board examination process is contingent upon enrollment in a CAMPEP-accredited program, please complete the attestation below and return it to the graduate student.

I attest that the applicant named above is **enrolled and in good standing** in the CAMPEP-accredited program indicated above.

**By checking the boxes below, I attest that the candidate named above has completed or is currently enrolled in coursework for credit that covers the following CAMPEP-required core topics.**

- Radiological physics and dosimetry
- Radiation protection and safety
- Fundamentals of medical imaging
- Radiobiology
- Medical anatomy and physiologic process
- Radiation therapy physics
- Professionalism and ethics
