Hello, I'm Dr. XXX. I'm going to be examining you in DISCIPLINE/CATEGORY. Before we get started, there are a couple of things I need to mention. First, if you are using a whiteboard, may I see both sides, as well as your marker and eraser? Thank you.

Second, and very important: During the exam, please don't hesitate to ask an examiner to repeat a question if you have trouble hearing or understanding us. All your examiners will be happy to repeat questions as needed.
