On Exam Day

Have the following items ready to use in the same location in which you completed the tech check:

- ☐ Wired headset with microphone
- ☐ Two computer monitors (or a laptop and second monitor)
- ☐ Cell phone near you (set to vibrate; we will text if there is a schedule change)
- ☐ Email with personalized software link (sent on each exam day)

Please do the following:

- ☐ Dress professionally.
- ☐ Set Google Chrome as your default browser.
- ☐ Turn off alerts on the computer that may originate from your phone.
- ☐ Keep the exam software open throughout the entire exam day.

Checking in

Start no later than 10 am EDT. You may check in earlier.

- ☐ Use the personalized link emailed to you from examdelivery@theabr.org on exam day to log in to the exam software. You can also access the link in myABR.
- ☐ Check that the page has your information, then click “yes this is me” button and enter the exam.
- ☐ Your exam schedule will appear after you have completed check in.

Reviewing Cases

- ☐ Click **Review Cases** from the menu in the upper right corner (three lines).
- ☐ You may review cases until 5 minutes before your first candidate and anytime you have a break.

Starting an Exam Period

- ☐ Click on **Join your next period** hyperlink at the top of the schedule screen.
- ☐ Read the pre-instructions pop-up and click **OK**.
- ☐ The top left corner will show the time you have until the period starts. When it is time, a pop-up will appear to let the candidate in if the candidate is ready. Click **Let Candidate In**
- ☐ Drag the media window tab that shows the candidate on your smaller monitor and the case screen on your bigger monitor.

Presenting Cases

- ☐ On your case screen, select the image thumbnail you want to present to the candidate.
- ☐ The image will appear in the media window so you and your candidate can view.

Monitoring Exam Period Time (*only you see timer candidate does not*)

- ☐ Exam periods are 25-30 minutes.
- ☐ The timer changes from green to yellow at 5 minutes until period ends and you will hear a tone indicating there are 5 minutes remaining in the exam period.
- ☐ The timer changes to red at 00 minutes, then will begin counting in the negative.
 - *No technical difficulties during the period* - end the exam at or before 30 minutes.
 - *Brief disruptions* - you may use “red time” to recover time lost during the regular exam period. The exam software will not allow you to go over 5 minutes.
 - *Major disruptions* – call Exam Delivery to cancel period; candidate will be rescheduled.

Ending Exam Period

- ☐ On the case screen, click on **Exam Tools** on the top bar.
- ☐ Click **Wrap up period**.
- ☐ A pop-up will appear with a small prompt to read to the candidate. Once you finish speaking with the candidate, click **Complete the period**.
- ☐ The period will end and direct you to your schedule.

**** Candidates are not allowed to have scratch paper, only a standard 8.5x11 whiteboard, if they choose. The script reminds you to ask if they have one and if they do, they need to show you that it's been cleared.**

Continue Scoring

- ☐ If you need to go back to the scoring for a candidate:
 - On your schedule, select **Scoring** next to the candidate's name.
 - Add final notes and case scores.
 - When completed, click on the menu bar at the top right (3 lines) click **Home**.

Category/Panel Meetings

- ☐ Click the **Join Meeting** hyperlink on the top of your schedule to enter the Examiner Breakroom Webex.
- ☐ Login as a guest to Webex and drag the tab to another monitor so that you can still have access to your exam software.
- ☐ Breakout sessions for each category or panel will be available for you to join.
- ☐ To see your candidates' scores, click on **Scoring** next to each candidate's name in your schedule.
- ☐ If you are a category or panel chair, scroll to the bottom of your schedule and click on **Open Meeting**
